NOTICE TO TEACHERS.

VERNON, Fla., November 28.
Editor BANNER.—The first semi-annual session of the West Florida Teachers' Association will be held at Milton on December 11th and 12th.

An interesting program has been arranged and it is hoped that all Washington county teachers, who possibly can, will be present, at least during the exercises on Saturday. A special rate of one fare for the round trip plus 25 cents, has been secured.

Few of us can afford to attend the State teachers' association on account of distance and expense incurred, but surely a goodly number can go down to Milton Friday night and return Sunday morning. Hoping that this county will be well represented at this first meeting of the association, I am very respectfully,

L. L. PRATT,
County Superintendent.

THANKSGIVING SERVICE.

A very pleasant and profitable service was held at New Harmony school house on Thanksgiving Day. A goodly number of the citizens of that vicinity met in compliance with the president's proclamation for the purpose of rendering thanks unto the Giver of all Good for the blessings conferred upon them in the past year.

The meeting was called to order by J. R. Weiss and was opened by music lead by Mr. Weiss, with Thomas R. Weiss and Miss Peacock as organists. The first thanksgiving proclamation made by President Washington in 1789, was read by J. K. Weiss, who was followed by Mrs. Carrie Stewart, who read the last proclamation made by President Roosevelt.

After a song, the 108th Psalm was read by Mr. Weiss and was followed by a prayer by Rev. A. P. Peacock, of Kynessville. This was followed by a solo by Mr. Weiss, entitled "Come, Ye Thankful People," after which Mr. Peacock made an address in which he enumerated some of the blessings received by us as a people and a nation in the past year. Then came that all important event on an occasion of this kind, which was a bountiful basket dinner, and all present proved that they could thankfully receive—and stow away—the many good things that the ladies had so nicely prepared. A large portion of the credit for the success of the meeting is due to Mr. E. M. D. Thomas, who first proposed the meeting, prepared the table and looked after the details both before and at the meeting.

The afternoon session was devoted to music, a select reading by Mr. C. E. Kelly, a recitation by Mr. Peacock and social conversation. The audience then sang "God Be With You Till We Meet Again," and were dismissed by a benediction, and all went home feeling that it was "good to have been there."

Hats for the big, little, old and young at the Misses Richardson's, and at prices to please. They are headquarters for hats.

THE THREE BROTHERS.

This is the next attraction of the Lyceum course, and they will greet the people of Chipley at the public school auditorium Monday evening, December 7th. W. Powell Hale was good, but the Three Bostonians are better. Addie Chase Smith as dramatic reciter, is grand; Addie Frank Libbey, as harpist, is superb; and Fannie Fish, whistler, is inimitable. Each one is an artist in her line, and to get all three of them on the platform for this evening's entertainment, makes it an event which you simply cannot afford to miss. Remember, it is next Monday evening, December 7th.

The public school is being taught at this place again by the former teacher, Mrs. Collins, of Campbellton. Mrs. Collins is a good, efficient teacher and has a good school.
